Resting From His Labors.

Lennie Miller the efficient foreman in the Record office is taking a well earned rest. He and his estimable wife left Sunday for a ten days visit to Mrs. Miller's parents in Richmond.

Taylor Mullins Dead.

Taylor Mullins a well known resident of Bryantsville dropped dead of heart disease at his home on last Saturday. He had not previously been in bad health and had been at work the day before.

For Assessor.

The announcement of Mr. W. Leslie Huffman for assessor of Garrard county, appears in this issue. He is a popular man and always voted the Democratic ticket, besides having many relations who have always been true to the party. His friends say that he has claims on the party, and that there are several reasons why he will have a strong following.

Cutting In The Country.

Mote Kavanagh, colored, residing in Adamstown on the Buckeye pike was severely cut in the abdomen, receiving a gash 12 inches in length and which almost disemboweled him, last Saturday night. He claims that the cutting was done at his home by Dave Denny, who broke down his door to get to him. Dave surrendered to the officers and is in jail. He will have an examining trial Saturday before Judge Ford.

Loses Fine Mare.

Mr. James G. Burnside was so unfortunate as to lose a fine show mare on the grounds during the Lancaster fair. The animal was in charge of one of the horsemen and was hitched in the shade awaiting her turn to be shown in the ring, when she reared and fell, injuring herself so severely that it became necessary to kill her to end her misery. She was a three year old and a splendid prospect for which Mr. Burnside had refused \$300.

False Rumors In Circulation.

Some person who was badly misinformed spread the rumor Monday in adjoining counties that there were several men killed here last week, and we were importuned by newspaper men for information and details over the telephone. With the exception of a cutting scrape on Buckeye pike Saturday night between two negroes, there was no trouble here last week. The fair went off very quietly, the crowd was an unusually orderly one and there was no trouble of any description. There was no killing either in town or county we are glad to say.

Judge McDowell Re-appointed.

Gov. Willson has reappointed Judge Chas. R. McDowell of Danville as a member of the State board of Election Commissioners. Judge McDowell has for several years held this position and his reappointment will meet with approval upon all sides.

Painfully Injured.

Mr. John Mount was so unfortunate as to lose his balance and fell from the porch in the rear of his store Tuesday, severely spraining his shoulder arm and bruising himself up considerably. We are glad to say however he sustained no serious injury.

Danville Fair.

The Danville fair this week, Wednesday, Thursday, and Friday, is attracting large crowds, and Garrard county is being well represented. The show of stock is splendid, and the well known hospitality of Boyle county people makes every one who once visits this fair want to go the next time it is held.

A Just Award.

One of the most justly tied "blues" at the Lancaster fair was the one awarded little Miss Carrie Bell Romans in one of the pony rings on the first day. The handsomely decorated little cart and cute little pony, not much larger than a lap dog, and the winsome little owner who rode in the turnout, caught every eye, and the judge must have been hard hearted indeed who would fail to give her the best ribbon at his disposal in that ring.

Mr. Morris Long Dead.

Mr. Morris Long died at his apartment in the Kentucky School for the Deaf building in Danville Thursday morning. Mr. Long had not been in robust health for some time, and about a week ago he suffered a stroke of paralysis from which he never recovered. Mr. Long went from this county to Danville many years ago where he had been connected with the School for the Deaf as a member of the faculty. Mr. Long has many relatives in Garrard county.

Give Fine Performances.

The Demorest Comedy Company who were at the Ball Park during the fair week, presented some of the highest class performances seen in Lancaster, and their tent was full to overflowing every night. The company was composed of splendid talent and every performance witnessed by delighted audiences. The specialties of Robert Demorest were especially interesting, his songs and dances being very catchy and drawing for him repeated encores. They have announced a return engagement here within the next sixty days.

Livery Barn Changes Hands.

Messrs William D. Walker and Horace K. Herndon have purchased the stock and vehicles of Mr. W. A. Arnold and have rented the barn now occupied by that gentleman, and will conduct the business at the old stand under the name of Walker & Herndon. The new firm will purchase a complete new and up to date outfit immediately.

Mr. Arnold will take a rest, and is undecided as to his future business, however we hope he will remain in Lancaster.

Mr. James B. Collier For Assessor.

In this issue of the Record will be found the announcement of Mr. James B. Collier for the office of county assessor, subject to the action of the Democratic party. For the Record to attempt to introduce this gentleman to the people of the county is useless, not a man woman or child in the county but knows "Jimmie" Collier. He was born and raised here and for many years lived upon his farm, until he entered the hardware store of W. R. Robinson & Bro., where he remained until that firm went out of business, he was then with Haselden Bros. and with the late J. C. Robinson in the furniture business. Of late years he has resided upon his farm in the outskirts of town. He is an upright honest gentleman and an unswerving democrat, and if elected to the office which he seeks, he would make a diligent and competent officer.

Surprise Wedding.

Miss Gertrude Noel, an attractive daughter of Rev. R. R. Noel, was quietly married to Mr. Thomas J. Parks, Sunday afternoon at four o'clock at the Baptist parsonage, the immediate family being present. The bride was charmingly attired in a navy blue suit and never looked prettier as she stood by the man of her choice, while Dr. C. V. Cook performed the ceremony in a very impressive manner. The bride has been residing in this city for several years with her aunts, Misses Noel, and is much admired. The groom is a son of a prominent and substantial family of Boyle county and is a popular clerk in Durham & Cecil's store. The happy couple left immediately for a trip to several points in the East. They will make their home in Danville. The congratulations and love of many friends are extended them in their new life. Danville Messenger. The bride is a sister of Mrs. James Woods, and has many other relatives and a host of friends in this county, who with the Record tender their sincerest good wishes for her future happiness.

The new baptist church at Kirksville, Madison County will be dedicated August 20th. Services being held by Rev. W. D. Powell of Louisville and Dr. Marshall of Richmond, basket dinner on grounds for every-body.

Albert S. White Killed.

Albert S. White a prominent colored politician and educator of Louisville and well known here was killed by a colored tenant named Louis Evans. The killing occurred in a moving picture show and was the result of a quarrel over the removal of some personal property from the building which White had leased to Evans.

Accepts Position In Danville.

Mr. Newell Fox eldest son of Mr. and Mrs. Jesse Fox of this county, who has just returned from a sojourn of several years in Oklahoma, has accepted the position of Manager of B. G. Fox's big livery and sale stable in Danville. Newell is a competent and deserving young man and will surely prove to be the right man in the right place in his new position.

Kindly Words For A Good Man.

Last week's edition of the Jessamine county News contained an extensive write up of Dr. George M. Hendren, one of Garrard's physicians. The article was biographical in character and of a very complimentary character, all of which we heartily endorse and know to be true. Dr. Hendren enjoys a lucrative practice in the Buckeye neighborhood and is a splendid physician and educated and refined gentleman.

Burned To Death.

Mrs. Calvin Blakeman aged forty eight years, wife of a well known farmer and former proprietor of the Blakeman Flouring Mills, and who now lives in the extreme northern end of the county near the Jessamine county line, was burned to death Saturday night at her home. Mrs. Blakeman was going into the cellar carrying a lamp when she tripped and fell and the lamp ignited her clothing, her cries attracted her husband and son who were seriously burned in their attempts to extinguish the flames. Mrs. Blakeman was before her marriage a Miss Clark, daughter of Mr. Wesley Clark. She is survived by her husband and five grown children.

Mr. Thomas B. Walker Dead.

At his home on Richmond avenue last Saturday afternoon shortly after four o'clock, Mr. Thomas B. Walker breathed his last. Mr. Walker has been in failing health for nearly two years, during which time he has sought relief at many places but without success. Within the last few months he has grown steadily worse and for several weeks his family and friends have known that his end was but a matter of a short time. For the past few weeks he has been very low and has only lived upon his splendid vitality. Mr. Walker was born in Clay county Ky., near Manchester and has but recently passed his sixty sixth birthday; he came with his parents to this county when he was about fifteen years of age and resided here since. He was married to Miss Jennie Francis of Madison county Ky., to which union was born two children, one son, Bates, died when he was six years of age, the other John F. Walker lives in Lancaster. Mrs. Jennie Francis Walker died many years ago and was buried beside her son in the Richmond cemetery. Mr. Walker several years ago married Miss Alice Steele of Nicholasville who survives him.

Thomas B. Walker has been prominently identified with the farming and commercial interests of the county for many years and has a host of friends in this and adjoining counties. He was a man of many sterling qualities, honest and upright in his dealings with all men, a friend true and tried, one who never tired of doing for those who were so fortunate as to be classed among his friends, a kind and indulgent husband and father and a progressive and respected citizen. Mr. Walker was of a retiring disposition, he had never sought office of any kind, and many times had refused to allow his name to be used as a candidate, although he might have easily had any office within the gift of the people of the county.

Mr. Walker is survived by his aged mother, his wife and three sons, John F., George and Thomas Jr., of this place, two brothers, Baker Walker of Nicholasville and James Walker of Richmond and four sisters, Mrs. D. D. Geiger of West Virginia, Mrs. John Cotton of Danville and Mrs. B. F. Hudson and Mrs. W. O. Rigney of this place.

After short funeral services at the home in this place at 9:30 o'clock Monday morning, conducted by Rev. O. P. Bush assisted by Dr. E. H. Pierce and Rev. F. M. Tindler, the remains were taken to Richmond Ky., where they were placed at rest.

The Joint Institute for colored teachers will convene in Danville August 21. Please make preparations to be present during the entire session as teachers salary for that week will only be paid on the certificate of attendance. 7-21-11 Miss Jennie Higgins, Supt.

Hon John T. Shelby, than whom there is not a more upright, honest conscientious gentleman in the state of Kentucky, was not again named by Gov. Wilson as a member of the State Board of Election Commissioners, a position which he has held for several years, during which time there has never been heard a murmur against his services from either party. Samuel J. Roberts of Lexington was chosen to succeed Mr. Shelby. A dispatch from Frankfort to the Courier Journal gives as the reason for Gov. Wilson's failure to reappoint Mr. Shelby that his name was not upon the list submitted by the Republican State Central Committee. The list contained five names, the first name appearing being that of Mr. David W. Fairleigh, but that gentleman refused to serve, not approving of the remaining four names on the list, so the dispatch goes on to recite, the Governor thereupon requested the Committee to submit a new list. The second list did not contain Mr. Shelby's name, and the Governor then chose Mr. Roberts.

The following words contained in the dispatch probably explains just why Mr. Shelby's name was not submitted. Much comment is heard here regarding the selection of the names on the lists recommended by the state Committee, and the question is being asked here why Mr. Shelby's name was not on the list. It is said that Judge O'Rear preferred having somebody else on the commission, and that really was the

reason that Mr. Shelby was not recommended for reappointment. W. T. Fowler, of Western Kentucky, is said to have been the first name on the first list of those recommended and it is said to have been the first choice of Judge O'Rear for a place on the State Commission.

We do not know just why Mr. Shelby's name was not submitted to the Governor for reappointment to the position, but we do know that if they were seeking a good man for the place, one who would give a square deal to everyone, and who would have given satisfaction to the great majority of both parties, they need not have ignored the name of John T. Shelby.

The Reciprocity Pact traveled a rugged path and met with strenuous opposition and all kinds of tricks and subterfuges were resorted to to prevent its coming to a final vote in our congress, but after months of buffeting backward and forward, all amendments were voted down and the measure passed as it was originally drafted. The president signed it and it became effective in so far as this country is concerned.

However, the same process must be gone through with in Canada and the opposition it is meeting there is if anything more stringent than in this country. The eleventh Parliament of Canada, before which the measure has been put out of existence on the 29th ultimo, Premier Sir Wilfred Laurier, who is leading the fight for the Government, seeing that it would be impossible to secure a vote upon the measure before that Parliament, decided to dissolve it and to allow the measure to go before the people at the coming fall election, which will be held on September 21st. This election will be for the purpose of choosing an entirely new membership for the coming Parliament and it is thought that reciprocity will be made the issue of the campaign. Sir Wilfred Laurier and his cabinet will take the stump and will conduct an active campaign throughout the provinces of Canada in the interest of the issue, and there is no doubt but what the campaign will be a vigorous one.

The recently dissolved Parliament consisted of 133 liberals, 85 conservatives and three independents, giving the Government considerable majority in favor of the passage of the pact, could they have been able to get it to a vote, but owing to the filibustering tactics of the opposition, this could not be done, and it was deemed best to dissolve parliament and thereby save the delay.

Should the liberal government be returned with anything like a working majority, a vote could then be had on the measure. On the other hand should the conservative element be victorious at the polls, the measure would be shelved and its passage rendered impossible.

Church Business.

Among all things, coming, going,—The church of the Best Life has come to stay. Since the day of its Founder sixty generations have come and gone. His way of things, from a territory of two or three counties wide, in Palestine, has become world wide; still traveling with a vim; its front flag always the same, "best life for the world, try it, prove it, 'by fruit know the tree", the center test.

The Record believes that each church denomination of christianity comes to standard in one vital feature, only as it serves good business. It is dishonored, devalued by any thing else. Its officials should give time, energy, judgment, insight and foresight, just as banker, merchant, farmer. Otherwise no amount of preach by its'elf can keep dead branches from multiplying on the tree.

On this a practical illustration, two years ago the Record, printed a church membership register for a pastor in this county. If served informational for every member, every family. It was business.

That pastorate in two years, advanced 40 per cent in finances, and 45 per cent in membership, it is worth thinking about.

Typhoid Fever in Danville.

Danville papers are constantly reporting new cases of typhoid fever in that community and the physicians at tribute it in part to infected cisterns. There is not a case of typhoid in or about Lancaster, and it is sincerely to be hoped that none will occur. It can only be avoided by constant vigilance and care, and our efforts along that line should be redoubled because of the close proximity of the disease; every care should be exercised as to our food and drink, and if there be the slightest doubt as to the purity of your supply of drinking water, either abandon that, particular water altogether or boil it before drinking it. Keep your premises well screened and keep out 'the flies as completely as may be possible.

The Fair.

Another Lancaster Fair has passed into history, the last one from a point of attendance being the grandest of them all. The weather was ideal, looked as if it was prepared especially for the occasion, and the people certainly took advantage of it and came in numbers, the second days attendance being perhaps the largest ever seen at a fair here. The Lancaster fair this year was conducted by a close corporation of six men; W. B. Burton as president and his directors and officers made up of the following gentlemen: J. L. Gill, R. L. Arnold, P. B. Marksberry, Jas. P. Bourne and Joe S. Haselden and that these gentlemen profited from the splendid exhibition which they gave is evidenced by the large attendance. Following is a list of awards.

Herald Representative Here.

Mr. Sherman H. Stivers of the Lexington Herald attended the Lancaster fair, and as a result of his presence here, appears an extended and interesting write up of the fair in Monday's edition of the Herald. Mr. Stivers is a newspaper man of ability and displays a splendid working knowledge of farming and stock raising. He has charge of the "Blue Grass Farmer" edition of the Herald, and this attractive paper under the skillful direction of Mr. Stivers is coming to be one of the leading stock papers of the state.

Jesse Alverson Buys Newspaper.

Hon Jesse M. Alverson has bought and taken charge of the Anderson News at Lawrenceburg, Ky. Mr. Alverson was for years connected with the Interior Journal, and has been with papers in both Lexington and Frankfort; he is an experienced newspaper man, knows every phase of the business. Not only is he qualified to conduct a newspaper, but he is well and favorably known all over the state and with all is a clever gentleman. From now on the Anderson News, already a good paper, may be expected to become one of the best in the state.

Miss McElroy Married.

Mr. E. A. Tong, of Springfield, and Miss Oliver McElroy, of this city, were united in marriage in the parlors of the Gilcher Hotel at Danville Wednesday morning, Dr. Cecil V. Cook, the Baptist minister of that city performing the ceremony. Mr. and Mrs. Tong remained in Danville until yesterday when they went to their future home in Springfield.—Taylor County Enquirer.

We published an account of this wedding some weeks since which was a little premature, but which was prompted by a letter from the bride, who was formerly an employee in this office, to our Mr. Miller giving the date upon which the wedding would occur. In the meantime a postponement was made of which we were not advised.

In The Open Market.

A recent press dispatch from Frankfort, says: "The American Tobacco Company will buy no more tobacco in the field or in the country warehouse. The tobacco must be brought to the market, and most of it will be sold in the loose-leaf houses. This information was given out here Thursday by M. H. Froman, of Ghent, who is here attending a meeting of the State Board of Immigration, Forestry and Agriculture, of which he is a member. Mr. Froman said that before leaving his home he had seen a letter to the agent of the American Tobacco Company in Ghent; notifying him that in the future the purchases of the American Tobacco Company would be made in the warehouses and in the open market."

We Should Be Thankful.

While a good rain would not come amiss with us, yet we are not yet suffering for it in this county. In the counties of Bourbon and Clark the drought is distressing, vegetation is entirely destroyed and only along the banks of running streams is a blade of grass visible, gardens are burned up and there is not enough garden truck for family use, the tobacco crop is almost completely "cut out", and both early and late corn is damaged and unless they have a soaking rain soon will be an entire failure.

Let's Get Down To Business.

The primary election is over, the fair is a thing of the past, now let us settle down to business. The paramount question now with Garrard county people is the proposed electric line. The representatives of the capitalists who will build the proposed extension from Nicholasville some time ago expressed their intention of going over the proposed routes during this month, they are liable to be with us almost any day. Let us all and each of us be ready and willing to point out to them every possible advantage to be derived by the running of this line through this county and to aid the Development Association in every possible way in securing the extension for Garrard county.

An Important Election.

The most important election of the year so far as the mass of the people is concerned, is the election of school trustees Saturday, Aug. 5. The sub-trustees comes in direct contact with the people in the most important public service. Each trustee has in his direct charge the welfare of from forty to one hundred pupils. Their comfort and convenience at school largely depends on him, as the stream cannot rise higher than the source, so the school will not be apt to be better than the trustee who has charge of it. Let the patrons who have the good of the school at heart all get together and select a broad minded, level-headed, active and incorruptible man for the place, and then make him serve. You will not find him asking for the place. More likely you will find him taking to the woods to avoid serving. He will plead business cares, and many other excuses but no matter, select him and show him it is his duty to serve. Be careful and do not give the office to one who seeks it in order to secure the school for a relative or friend. Another consideration is, the County Board of Education is elected by these sub-trustees from among their number and this board has large discretionary powers and the expenditure of thousands of dollars each year. Perhaps just now your most important civic duty is to elect the right kind of sub-trustee for the rural school.

The above article from the Jessamine Journal applies to every county in the state and we heartily endorse every word of it. Upon the personnel of the school trustees depend the welfare of the schools, and it behooves the people to look carefully to the character and efficiency of the men whom they elect to this seemingly unimportant, but in fact highly important office.

set the world to talking, but Paul Mathulka, of Buffalo, N. Y. says he always KEEPS AT HOME the King of all Laxatives—Dr. King's New Life Pills—and that they're a blessing to all his family. Cure constipation, head-ache, indigestion, dyspepsia, only 25c at R. E. McRoberts & Son.

Mrs. Mary Kelley Dead.

Mrs. Mary Kelley, relict of the late Elijah Kelley, died at her home in this county near Nina last Wednesday of cancer of the stomach. Mrs. Kelley was seventy two years of age and has been in feeble health for several months. She is the mother of Mrs. John Malloy of Richmond, Mrs. W. Mc Jones of Hedgeville and Mrs. James Comely of this county, Mitchell Kelley of Boyle county and Messrs Thomas, Benjamin, Samuel and John Kelley of this county, all of whom survive her. Her remains were placed at rest in the Kelley family burying ground on the farm of Mr. B. L. Kelley in this county on Thursday.

Attack Like Tigers.

In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome. Then see pimples, boils, eczema, salt rheum and sores multiply and strength and appetite fail. This condition demands Electric Bitters to regulate stomach, liver and kidneys and to expel poisons from the blood. "They are the best blood purifier," writes C. T. Budahn, of Tracy, Calif., "I have ever found." They make rich, red blood, strong nerves and build up your health. Try them. 50c at R. E. McRoberts & Son.

Thirty Years Together.

Thirty years of association-think of it. How the merit of a good thing stands out in that time—or the worthlessness of a bad one. So there's no guess work in this evidence of Thos. Ariss, Concord, Mich., who writes: "I have used Dr. King's New Discovery for 30 years, and its the best cough and cold cure I ever used." Once it finds entrance in a home you can't pry it out. Many families have used it forty years. It's the most infallible throat and lung medicine on earth. Unequaled for laryngitis, asthma, hay-fever, croup, quinsy or sore lungs. Price 50c. \$1.00 Trial bottle free. Guaranteed by R. E. McRoberts & Son.

Looking Backward.

"Are Boston children usually precocious?" "I have known of one who was only three years old who could get into a reminiscence vein."

CURED TO STAY CURED.

How Lancaster Citizens Can Find Complete Freedom From Kidney Troubles.

If you suffer from backache—From urinary disorders—From any disease of the kidneys, Be cured to stay cured. Doan's Kidney Pills make lasting cures.

Grateful people testify. Here's one case of it: James J. Hill, High St., Nicholasville, Ky., says: "Some time ago my back ached severely and I felt weary and restless. Pains frequently darted through my kidneys and were so severe that I found it difficult to stoop or straighten. I was also troubled by an annoying weakness of the kidneys. The kidney secretions were highly colored and contained sediment. I was always on the lookout for a remedy that would give me relief, and finally I heard about Doan's Kidney Pills. I procured a box and shortly after beginning their use, I found that they were helping me. The improvement continued as I kept taking them and it was not long before the trouble was entirely removed." (Statement given May 15th, 1905.)

A LASTING EFFECT.

On March 2, 1908, Mr. Hill said: "The benefit I derived from the use of Doan's Kidney Pills five years ago has been permanent. I gladly confirm my previous statement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Dr. Dan Robertson will preach at 11 a m Sunday and in Union service at night. Membership of sister churches, who may be present, fraternally invited to the communion.

CATARRH

Cured by the Marvel of the Century, B. B. B.—Tested for 30 Years.

Hawking, spitting, foul breath, discharges of yellow matter permanently cured with pure botanical ingredients. To prove it we will send you a sample treatment free.

Catarrh is not only dangerous but it causes ulcerations, death and decay of bones, kills ambition, often causes loss of appetite and reaches to general debility, idiocy and insanity. It needs attention at once. Cure it by taking Botanic Blood Balm (B. B. B.) It is a quick, radical, permanent cure because it rids the system of the poison germs that cause catarrh. At the same time Blood Balm (B. B. B.) purifies the blood, does away with every symptom of catarrh. B. B. B. sends a tingling flood of warm, rich, pure blood direct to the paralyzed nerves, and parts affected by catarrhal poison, giving warmth and strength just where it is needed and in this way making a perfect, lasting cure of catarrh in all its forms. Druggists or by express, \$1 per large bottle, with directions for home cure. Sample sent free by writing Blood Balm Co., Atlanta, Ga. Describe your trouble and free medical advice given. Sold by F. In The District Court of The United States

For the Eastern District of Kentucky in Bankruptcy.

In the matter of Coy S. Sanders a Bankrupt.

On this 20th day of July A. D., 1911, on considering the petition of the aforesaid bankrupt for discharge, filed on the 5th day of July A. D., 1911, it is ordered by the court that a hearing be had upon the same on the 22nd day of August A. D., 1911, before said court at Covington in said district at 10 o'clock, in the forenoon, or as near thereto as practicable, and that notice thereof be published one time in The Central Record, a newspaper printed in said district, and all known creditors and other persons in interest may appear at said time and place and show cause, if any they have, why the prayer of said petitioner should not be granted. WITNESS the Honorable A. M. J. Cochran, Judge of said Court, and the seal thereof, at Covington in said district, on the 20th day of July A. D., 1911.

J. W. Menzies, Clerk.

Life Saver

In a letter from Branchland, W. Va., Mrs. Elizabeth Chapman says: "I suffered from womanly troubles nearly five years. All the doctors in the county did me no good. I took Cardui, and now I am entirely well. I feel like a new woman. Cardui saved my life! All who suffer from womanly trouble should give Cardui a trial."

E G I Take CARDUI

The Woman's Tonic

50 years of proof have convinced those who tested it, that Cardui quickly relieves aches and pains due to womanly weakness, and helps nature to build up weak women to health and strength. Thousands of women have found Cardui to be a real life saver. Why not test it for your case? Take Cardui today!

Water Colors. Pigments have been used from the earliest times and are now used by all savages for decorative purposes. But the paint used in Babylon and Nineveh and in Pompeii was composed of pigments mixed, not with oil, but with water to which had been added a little glue, egg albumen or perhaps some times casein, which is all unknown matter from milk or the gluten from cereal grains. Glue, however, which was well known to the ancient Egyptians, was the most used binding material. Such paints are now known as fresco paints or water colors.

Well, Do It! Of course, you know just what you would do in another man's place, but why don't you do the right thing in your own place?
